

# Parking of trucks in Roskilde Municipality

December 2023

In order to improve the environment and traffic safety in the residential areas of Roskilde Municipality, parking restrictions have been introduced for trucks and other heavy vehicles.

## **Which vehicles have limited parking options?**

Large vehicles with a total weight over 3500 kg (lorries, buses and the like), as well as trailers.

## **When do the city zone restrictions apply?**

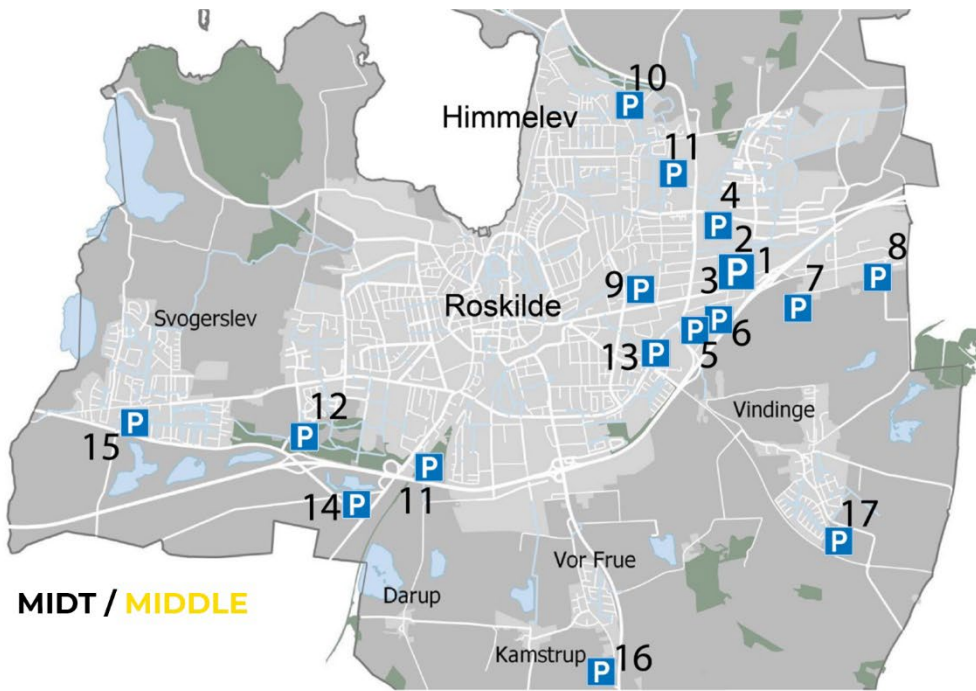

From 19.00 to 7.00 every day of the week. During this period, heavy vehicles and trailers may only be parked in specially marked spaces.

## **Where can you put your trailer?**

At the site on Hyrdehøj Vestvej (no. 12 on the map), it is possible to leave your trailer for up to 24 hours.

## **Where are the parking areas?**

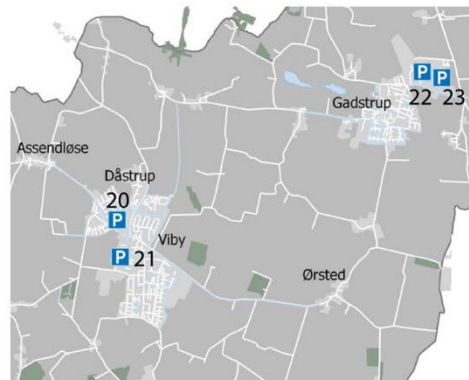

At the parking areas spaces are marked with special signage, which also shows the time slots you may park.
